

ESSENTIAL CRITICAL INFRASTRUCTURE WORKFORCE

Performance Seals, Inc. operates as a critical petroleum distribution center related energy infrastructure that has been designated as essential critical U.S. energy infrastructure.

March 24, 2020

To all those concerned,

The Performance Seals, Inc. employee in possession of this letter is identified as an “Essential Critical Infrastructure Worker” as defined by the March 19, 2020 memorandum issued by the Cyber and Infrastructure Security Agency (CISA), providing essential support of critical energy infrastructure in response to:

COVID-19 Declaration of National Emergency

These critical energy facilities are necessary to ensure continuity of functions critical to public health and safety, as well as economic and national security during this period of National Emergency. In the course of providing this support, the bearer of this letter must be able to travel to and access the energy infrastructure facilities during curfews and restricted travel periods in order to prevent loss of service and ensure critical energy services.
